AMONG THE CHURCHES**EBENEZER CHURCH.**

Dr. Julian C. Caldwell, D. D., General Secretary of the A. C. E. League, preached an able sermon to a large audience at Ebenezer Sunday morning. There were eight additions. The Rev. McPike, one of Ebenezer's own sons, preached at night, and his sermon was indeed filled with the Holy Ghost. Brother C. C. Rather of Class 14 is wearing the gold medal this quarter. Class No. 19, Brother William Richardson, leader, started out in the lead the first Tuesday evening after Quarterly meeting and his class won the banner. Brother Porter, leader of Class No. 10, claimed the banner this week. Rev. S. W. Henderson left for Hiawatha, Kas., where he will take charge of the A. M. E. Church. Mrs. Henderson will join her husband soon. They both will be greatly missed by Ebenezer, as they were loyal, devoted members. Rev. Osborne's first plan for the year is to pay out the parsonage. The members showed their enthusiastic desire Tuesday evening to take a hold for another successful year's work. The Who-So-Ever-Will Club met at the residence of Mrs. Lillie Sewell's on Thursday evening. This Club gave \$25.00 to the pastor on Conference Claims. The Art Club was royally entertained last Thursday by Mrs. Ida Vaughn. After praise services a de-

and Mrs. Osborne. The date to be given when Church can be opened, being closed on account of influenza. Dr. M. L. Flinn and Mrs. Marshall gave \$5.00 each on Douglass Hospital improvements.

FRIENDSHIP BAPTIST CHURCH.

Sunday services were well attended both day and night, the Rev. Lacy taking for his text the 53d chapter of Isaiah, and the 3d verse. He preached a noble and inspiring sermon. There were three additions to the Church. Sunday School and B. Y. P. U. are doing fine. The pastor, Rev. G. W. Boyd, has taken his bed again and is very ill at his new address, 1513 Park. Sister Yates is also on the sick list. All social meetings and entertainments are postponed this week at the church on account of the influenza. All persons holding tickets to the Ham Contest will please watch this space for another date given. The entire public is invited to attend all meetings. Everybody welcome.

SECOND BAPTIST CHURCH.

About 1,300 listened to Dr. Bacote's powerful and soul stirring sermon last Sunday morning, which was enjoyed by all present. In the evening, services were conducted by Dr. Bailey

**REV. W. T. OSBORNE,**

the successful pastor of Ebenezer, whom Bishop Parks desired to make Presiding Elder over the Puget Sound Conference; but members and friends because of his splendid work and their attachment to him, prevailed upon the good Bishop, for the good of the Church, to allow him to remain. They express thanks and appreciation to the Bishop for his Godly consideration.

lightful luncheon was served. This club gave \$10.00 to the pastor for Conference and to him personally a pair of \$10.00 shoes. The Senior Stewardess gave him a present of \$20.00 and Deaconess \$10.00 in appreciation of his splendid year's service and impartial leadership among them. Mr. Hugh Howard, who was a faithful member of Ebenezer before his illness of more than a year, was buried from the family residence Thursday afternoon. The choir of which Mrs. Howard is president turned out in a body in sympathy with the bereaved wife. Beautiful floral offerings and condolences were given by the choir. The pastor and members express deepest sympathy to Mrs. Howard and relatives in their saddest hours. The Conference held its Educational night at Ebenezer and an offering of \$310 was given. The Stewards and Stewardesses are arranging a public reception for their pastor and wife, Rev.

of Texas. He preached a grand sermon on "Lean on God." During the day there were twelve additions to the Church. The Wednesday evening prayer meetings are having a record breaking attendance since the Community Chorus has been singing so beautifully the songs of Zion. The Mission Circle held a very interesting and profitable session at the home of Mrs. Christian, 1518 Baltimore, last Friday afternoon. The Sunday School and B. Y. P. U. are progressing nicely. Miss Elizabeth Burrell and Mr. J. H. Palmer were married last week. The Rev. Dr. S. W. Bacote officiated. The general public is cordially invited to attend all of our services. Come to the Church.

CHRISTIAN CHURCH.

This week was one of the best during the season. The Young Women's Missionary Circle had a good meeting with Mrs. Cora Everett, 2715 High-

land. They made their full financial report to the State and National Treasurers. The Aid Society held their best meeting financially with Mrs. J. D. Brown, 1617 Tracy. Both Mrs. Everett and Mrs. Brown served bountifully. The Aid Society has laid the cement walk in front of the church and sidewalk and steps to the basement, which was much needed. The Christian Woman's Board of Missions held their regular monthly meeting Sunday at 5 p. m. The attendance was small but interest fine with good financial results. The Bible School was well attended and the Superintendent and the teachers are having plenty to do in grading and classifying the pupils. They hope to complete the work Sunday a. m. and all pupils and teachers are requested to be present at 9:30. The church services in many respects were the best of the season. The attendance of the membership not up to the standard, but visitors good. The offering reached the highest mark for one day. The choir was truly at its best all day. The pastor was told the sermons were good and helpful. The C. E. Meeting is increasing in interest and attendance. The Third Sunday is "Visiting Day" and each member is requested to be at their homes from 2 to 6 p. m. A cordial welcome at all times.

**Heart Disease Almost
Fatal to Young Girl**

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

DON'T DRINK SHIPS!

U. S. Food Administration.

Are you shocked to see the lady drinking ships? You drink ships every time you use sugar unnecessarily, in a beverage. Seventy-five per cent. of the sugar used in this country has to be brought here in ships. Every possible ship is needed for the transportation of troops and supplies to the other side. Eliminate sugar as a luxury, and you release many ships for war purposes. Teach your appetite to remember this—
DON'T DRINK SHIPS.
